

A Golfer's Heaven

JK's World of Golf is New Zealand's premier golfing experience. With over 40 bays, their driving range is the only 24 hour driving range in New Zealand, while the pro shop features all the top brands with very competitive prices.

JK's has been the name on the lips of New Zealand golfers for over ten years, as the home of the only 24 hour driving range, and with a great location handy to Auckland International Airport. The Pro Shop contains more stock than any other in New Zealand, with a huge range of all the brands golfers know and depend on.

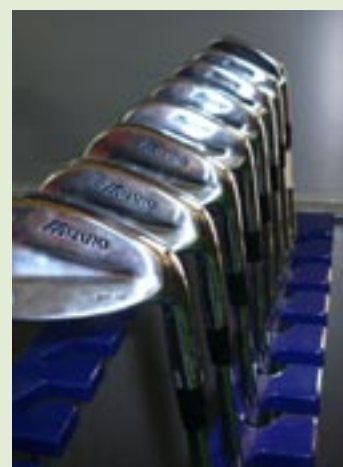

Taylor Made, Cleveland, Titleist, Cobra, Calloway, Ping, Mizuno – the list goes on, with clubs, bags, accessories, carts and everything else you could possibly need. From the Saturday afternoon novice to the seasoned professional, JK's World of Golf is your one stop shop to ensure you get

the most out of your game. They believe that the best value club is the one you hit the best with, and so offer a try before you buy policy on all clubs, along with a state of the art workshop producing custom-fit clubs for any customer.

JK's is also home to a range of technology and professional advice all dedicated to improving your game. With the Sam Putt Lab and Matai Motion Analysis technology, you can see the trajectory and spin rate of the ball as it comes off the club, allowing you to adjust your technique or find a better-suited club to enhance your game. There is also a coaching clinic every Sunday for the budding 'Tiger Woods' among the younger generation.

With a Pro always on hand, JK's ensures you get the right equipment every time, and is the place to go for sound advice on any aspect of your game. They are located on Nixon Road, Mangere, close to Auckland Airport. If you are heading to the Airport via George Bolt Memorial Drive you will see a large sign indicating where to turn off. Otherwise, if you are familiar with the Aviation Country Club, JK's World of Golf is located through the rear exit of their carpark.

JK's World of Golf
